„Contemporary education 2025“

The conference will be held on Friday and Saturday, 4th and 5th of April, **2025**, at Teachers' College in [Kikinda](#) (Republic of Serbia), Svetosavska street no. 57.

Conference aims to analyze current conditions for education and enlightening in countries of the South-East Europe region through consideration of practical and theoretical aspects of educational work and exchange of experiences of participants in educational processes. In the stated aim, the conference will present the works of professional and scientific workers from the country and the region on all topics relevant to education and enlightenment. Some of the topics on which you can prepare your presentations are:

- Theoretical foundations of the modern concept of upbringing and education,
- Educational influences and programs,
- Integrative approach in education,
- Inclusive upbringing and education of children and students with exceptional abilities (students with disabilities and gifted students),
- Modern forms of cooperation of all participants in the educational process,
- The contemporary role of kindergartens and schools as centers of local education,
- Modern methods in educational practice,
- Non-formal and informal education,
- Challenges of upbringing, education and enlightenment today, and others.

The conference is intended for experts from the countries of the region who are engaged in professional and scientific work in the fields of education, upbringing and enlightenment, educational work with children, young people and adults of all abilities: educators, teachers, preschool teachers, professional associates, special pedagogues, defectologists, speech therapists, counselors, lecturers, professional workers, and others. Also, at the conference we expect other experts, employees of public services and administrations, media workers, students, activists and everyone else who is interested in the topic of the conference.

Pozivamo kolege da dostave sažetke svojih izlaganja na bilo koju od tema koje se tiču navedene osnovne teme i podtema skupa.

Organizatori Konferencije će pripremiti elektronski **Zbornik sažetaka** svih prihvaćenih izlaganja za samu Konferenciju a **radovi u celini** koje dostave autori biće objavljeni nakon Konferencije u serijskoj elektronskoj publikaciji „Izuzetna deca i omladina/Exceptional Children and Youth“ (ISSN 2683-3603) čiji izdavač je Alijansa prosvetitelja Srbije.

We invite colleagues to submit summaries of their presentations on any of the topics related to the stated main theme and sub-themes of the conference.

The organizers of the Conference will prepare an electronic **Book of abstracts** of all accepted presentations for the Conference itself, and the works as a whole submitted by the authors will be published after the Conference in the serial electronic publication "Exceptional Children and Youth" (ISSN 2683-3603), published by the Alliance of Serbian Enlighteners.

Registration of participation (for participants **speaking** Serbian/Croatian/Bosnian/Montenegrin) Participation **without a presentation** is registered by filling out the [Application Form](#) and paying the registration fee according to the submitted invoice.
